

The Scottish Tarmac Rally Championship 2022.

The Scottish Tarmac Rally Championship has been running successfully for over 25 years. Its unique class-based scoring system gives drivers and co-drivers from each class the opportunity to become the overall champion throughout the year.

In a championship where the emphasis is placed on the skill, consistency and reliability of competitor and machine over pure power and speed, the efforts of every competitor in every class are rewarded in the overall championship challenge.

For 2022 the STRC are proud to announce the support of Carnegie Fuels Ltd creating the Carnegie Gold Card Scheme.

At each championship round prior to the 31st August 2022, there will be a draw which will include ALL fully registered championship competitors who start that event.

One winning ticket will be drawn during each round with a £250 Carnegie Gold Card being presented to the first name (driver or co-driver), drawn at the event.

This voucher may be redeemed at either Wheels Around or AW Motorsport in return for goods or services only.

To be eligible to be included in the draw participants must be fully registered members of the 2022 championship and must comply with all regulations as laid out in the 2022 STRC Regulations. (Full details and conditions are laid out in STRC Appendix 1)
